Complimentary Essential Oils Tutorial

Learn about the incredible healing properties of essential oils
and the many ways we can use them!

Join us at the Gananoque Public Library

November 18th from 12-3.

We will learn how these oils have been used over time to
effectively assist families in immune support, headaches,
stomach aches, insomnia, sore throats, first aid, and so much
more!

Come and experience the aromas of these amazing oils.
